

Front-end

A screenshot of a mobile application interface. At the top is a dark blue header bar with the text 'criar' on the left and a three-dot menu icon on the right. Below the header, the screen has a white background. The title 'Criar um estoque' is centered at the top of the form area. Below it is the label 'LOJA' followed by a large, empty, rounded rectangular input field. This is followed by the label 'NOME DO PRODUTO' and another identical empty input field. Below that is the label 'QUANTIDADE' followed by a third identical empty input field. At the bottom of the form are two rounded rectangular buttons: 'CONFIRMAR' on the left and 'LIMPAR' on the right. The entire app window is framed by a status bar at the very top showing icons for signal, Wi-Fi, battery (35%), and time (13:50).
